

PREPARED MIND TACTICS

RANGE SAFETY RULES

1. Be aware of your surroundings at all times, you or someone near you may be doing something unsafe and situational awareness is the best way to prevent this.
2. All Federal, State, and Local laws must be followed while on the range.
3. All participants must sign and date the range safety rules as well as the "Waiver and Release of Liability".
4. Commands issued by Instructor/s are absolute and must be obeyed immediately and without question this is for the safety of all those present.
5. When the command "Cease Fire" is heard all shooters will do the following:
 - Stop shooting **IMMEDIATELY**
 - Remove your finger from the trigger & trigger guard
 - Keep the firearm pointed in a safe direction
 - Wait for further instructions from the Instructor/s
6. No one other than Instructor/s may go forward of the firing line unless authorized or specifically directed to do so by Instructor/s.
7. When the line is declared "CLEAR" all shooters will do the following:
 - All firearms must be holstered, slung, unloaded, and or benched/grounded, with the muzzle pointed down range, with the action open, slide locked to the rear, and magazine removed.
 - Everyone must step back from the firing line.
 - No firearms may be handled while the line is "CLEAR".
8. Only targets provided by or authorized by the Instructor/s may be used on the range.
9. Fire only at the target in front of you unless directed to do otherwise by an Instructor/s.
10. Handgun holsters used for training must work in such a fashion as to draw in an upward (slight forward or reward cant is acceptable) fashion and from the same side as the hand used to fire. Cross draw, small of the back, and or shoulder holsters will not be used unless specifically authorized by the Instructor/s.
11. If you drop anything while on the line you will **NOT** pick up the item unless authorized or directed to do so by an Instructor/s.

12. All firearms are to be considered dangerous at all times and will never be pointed at anything other than a designated range target unless specifically directed otherwise by an Instructor/s.
13. Instructor/s reserves the right to inspect any firearm anywhere upon the range facility at any time for safety and or compliance with range rules.
14. Failure to comply with any range safety rule will result in the immediate removal from the range. Ejection from the range will not in any way result in a refund; full or partial for remainder of training.
15. If any participant in range training witnesses an unsafe act on the line, they are to call a **“Cease Fire”** immediately and notify an Instructor/s.
16. All persons on the line will wear proper eye and hearing protection.
17. No one will be permitted to be on the range that is under the influence of alcohol or drugs and if you are taking any prescriptions, you are required to check with your doctor previous to range training to determine if you can safely take part in firearms and related training.
18. No smoking will be permitted on the range, a designated area for smokers will be located a safe distance from the shooting area, smokers are required to collect their butts before leaving the range.
19. Upon arrival at the range any firearm to be used for training will be unloaded previous to entering the range area and will be inspected for safety previous to entry to the range.
20. No use of electronic devices, unless instructed to do so by an instructor/s.
